  - Inkjet technology by HP
- Instant ink feed
- No smearing or ink transfer
- Print head built into cartridge
- No degradation of print quality as with ribbons
- Uses low cost recycled paper

*With this two-color inkjet POS printer, your customers draw the end user's attention to the slip as you can turn this dull piece of paper into a marketing revelation. Receipts and vouchers receive vibrant color with any application using the SRP-500. A low ink consumption results in lower ink cartridge expenses due to advanced ink management. With the SRP-500 you have both operating expenses and acquisition costs always under your control. A printing speed of 13 rows per second make the SRP-500 significantly faster than conventional dot-matrix printers and at the same time even more cost-effective. The proven and advanced HP ink dries instantly and offers high quality printing on low-cost paper. Retailers will find inkjet printing bright, clear, and crisp. With standard color selections including black, red, blue, or green, the SRP-500 offers enhanced versatility in printing graphic images, logos, coupons, rebates and specials.*
