

HP EliteDisplay E221c 21.5-inch Webcam LED Backlit Monitor

Connect and collaborate. Locally and globally.

Bring the meeting to you. The HP EliteDisplay E221c 21.5-inch Webcam LED Backlit Monitor combines the wide viewing angles of IPS technology with integrated communications technology so it's easy, affordable, and comfortable to quickly connect and collaborate.

Be meeting-ready on a moment's notice

Quickly connect and collaborate, and optimize your virtual communication technologies like Microsoft Lync.¹ The professional-class display plus integrated webcam, speakers, and microphone are ready when you are.

Power through your day in comfort

Customizable tilt, height adjustment, swivel, and pivot settings—the most adjustability available on an HP business display—help you find your sweet spot.

HP EliteDisplays also meet TCO Certified Edge requirements for innovative products at the forefront of environmental and ergonomic stand design.

Now see everything

Get great 178-degree viewing angles views and stunning color integrity from In-Plane Switching (IPS) technology. Share content, media, and videoconferences¹ with everyone in the room.

Enhance your view

Enjoy crisp, clear content and video from the high contrast ratio and fast response time. Easily connect devices with convenient VGA, DVI, and DisplayPort inputs and the integrated USB hub.

Control your environmental impact

Reduce power consumption and help lower your costs with an intelligent, energy-efficient design that is ENERGY STAR[®] qualified and EPEAT[®] Gold registered.²

The displays also include mercury-free display backlights, a low halogen design,³ and arsenic-free display glass.

Meet your monitor's new best friend

Personalize your workspace with resizable screen partitions and work in documents, spreadsheets, and e-mail in separate regions of the screen—at the same time—with HP Display Assistant software.

View open applications on all of your connected displays with the expanded toolbar. Help deter theft with a user-designated PIN that deactivates the monitor if it's disconnected from a PC without approval.

Breathe easy

Rest assured that your IT investment is supported by a three-year standard limited warranty. Select optional HP Care Pack Services⁴ to extend your protection beyond the standard warranty.

1. Internet service required, and not included.

2. EPEAT® Gold where HP registers commercial display products. See www.epeat.net for registration status in your country.

3. External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.

4. Service levels and response times for HP Care Pack Services may vary depending on your geographic location. Service starts from date of hardware purchase. Restrictions and limitations apply. See www.hp.com/go/cpc for details.

5. All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.

6. Each accessory and mounting hardware is sold separately.

7. The HP Quick Release has been designed to support a maximum of up to 24 lbs (10.9 kg) for all devices mounted. Because mounting surfaces vary widely and the final mounting method and configuration may vary, mounting fasteners are not supplied (other than the VESA-compliant screws). HP recommends that you consult with a qualified engineering, architectural or construction professional to determine the appropriate type and quantity of mounting fasteners required for your application and to ensure that your mounting solution is properly installed to support applied loads.
