

HP EliteDisplay S270c 27-in Curved Display

Show off your PC and mobile device content in a remarkable new way with the HP Elite Display S270c Curved Monitor, HP's first curved commercial display—27 diagonal inches of an elegant, immersive visual experience with enhanced peripheral readability.

Expand your view.

- Enhance your visual perception with a 1920 x 1080 Full HD¹ curved screen that increases your field of vision vs. a flat 16:9 FHD display of the same size.

Deliver glamorous presentation from every device.

- Instantly mirror your smart phone or tablet content to the super-sized screen through an easy MHL connection that also keeps your devices charged and ready to go.²

Get all the sights and sounds.

- Make the most of your media with an expansive visual experience from wide viewing angles, and enjoy immersive quad-speaker DTS Audio that provides a more natural audio experience with maximized bass response.
- Set the bar for stylish performance with a sleek, modern black-and-silver color palette, thin design, and stellar front of screen from 82 ppi and 95% sRGB color gamut, plus low reflection and distortion for consistent imagery across the screen.
- Design the screen for how you work with HP Display Assistant software.
- Rest assured that your IT investment is supported by a standard limited warranty (varies by region). To extend your protection beyond the standard warranties, select optional HP Care Pack Services.³
- Reduce power consumption and help lower costs with an intelligent, energy-efficient design that is ENERGY STAR® and TCO qualified, EPEAT® Gold registered.⁴ Includes mercury-free display backlights, low halogen,⁵ and arsenic-free display glass.

Accessories and services (not included)

HP Single Monitor Arm

The HP Single Monitor Arm is the perfect desk accessory for your work life. Sleek and streamlined, the HP Single Monitor Arm is designed to complement the way you work.

Product number: BT861AA

HP Dual Output USB Graphics Adapter

Increase screen real estate and productivity with a dual-monitor setup with the HP Dual Output USB Graphics Adapter, featuring DVI-I and DisplayPort outputs to drive displays at high resolutions through a single USB 3.0 B connection to your PC.

Product number: C5U89AA

HP LCD Monitor Quick Release Mount

HP Quick Release is an easy to use, 100 mm VESA-compliant, LCD monitor mounting solution that allows you to quickly and securely attach a flat panel monitor to a variety of stands, brackets, arms or wall mounts. HP Quick Release can also be used for mounting any combination of devices that are compatible with the 100 mm VESA Flat Display Mounting Interface Standard. The failsafe "Sure-Lock" mechanism snaps the monitor (or mounted device) securely in place, and can be further secured with a theft-deterrent security screw.

Product number: EM870AA

HP USB Graphics Adapter

The super-compact HP USB Graphics Adapter enables connection of up to six simultaneous displays (one per adapter) to help you boost productivity and multi-task across several open applications.

Product number: NL571AA

HP Integrated Work Center 2 for Small Form Factor

Designed specifically for use with the HP Compaq Small Form Factor (SFF) Desktop PC and a 17 to 24-inch* diagonal monitor, the HP Integrated Work Center 2 (IWC) – Small Form Factor (SFF) provides a portable, compact workspace to help maximize space-constrained work environments

Product number: QP897AA

HP DisplayPort Cable Kit

HP DisplayPort Cable Kit

Product number: VN567AA

Messaging Footnotes

¹ High-definition content required.

² To display images from a smart phone or tablet, the device must be enabled for MHL and be attached with the included MHL cable to the MHL port, or have an HDMI dongle and be connected with the HDMI cable to either HDMI ports. The MHL 2.0 port will charge an attached MHL compatible smart phone or tablet battery while connected.

³ HP Care Pack Services are sold separately. Service levels and response times for HP Care Pack Services may vary depending on your geographic location. Service starts from date of hardware purchase. Restrictions and limitations apply. See www.hp.com/go/cpc for details.

⁴ EPEAT® registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.

⁵ External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.

Technical Specifications Footnotes

¹ All specifications represent the typical specifications provided by HP's component manufacturers, actual performance may vary either higher or lower.

² External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.
