

L1506x 15-inch LED Monitor

A reliable and purpose-built display for demanding retail and hospitality environments.

Purpose built

The HP L1506x 15-inch LED Monitor is the ideal solution for use as a customer-facing or associate display. Choose the reliable, purpose-built HP L1506x Monitor for a stunning display. The 4:3 standard aspect ratio ensures compatibility with software applications used by the retail and hospitality industries and also preserves valuable counter real estate with its narrow footprint.

White LED backlighting helps reduce your impact on the environment and lower operating costs. The HP L1506x 15-inch LED Monitor is ENERGY STAR® 5.0 qualified and certified as EPEAT® Gold. HP has designed this product with materials free of brominated flame retardants¹ (BFRs) and polyvinyl chloride¹ (PVC) to help support your environmental initiatives.

Bright, clear

By utilizing an industrial panel, the HP L1506x Monitor offers increased brightness, a high contrast ratio and supports operating temperatures up to 50°C (122° F) allowing it to be implemented in the most demanding of environments. Customers and associates can easily read information from the bright, clear screen surface.

Works in your space

Additionally, the HP L1506x Monitor has a

detachable base and includes standard 100 mm VESA mounting holes² for mounting to a wall, an optional swing arm or custom mounting solution, or other vertical surface. Accessory rails are included in the box for quick and easy mounting of HP accessories such as the HP USB Mini Magnetic Stripe Reader or an HP Speaker Bar.

Designed to withstand your environment

Your environment is rough on your equipment. The HP L1506x is built to withstand high operating temperatures and can be used in areas with low air circulation. This smart design helps ensure long life for your equipment. The included circular base offers stability in small spaces.

Industry leading warranty & support

The HP L1506x 15-inch LED Monitor is backed by a 3-year limited warranty that includes Advanced Exchange³. You can also select from a range of HP Care Pack Services to extend your protection beyond the standard warranties⁴.

L1506x 15-inch LED Monitor

1. HP L1506x LED Monitor is brominated flame retardant and polyvinyl chloride-free (BFR/PVC-free); meeting the evolving definition of 'BFR/PVC-free' as set forth in the "iNEMI Position Statement on the 'Definition of Low-Halogen' Electronics (BFR/CFR/PVC-Free)". Plastic parts contain < 1000 ppm (0.1%) of bromine [if the Br source is from BFRs] and < 1000 ppm (0.1%) of chlorine [if the Cl source is from CFRs or PVC or PVC copolymers]. All printed circuit board (PCB) and substrate laminates contain bromine/chlorine total < 1500 ppm (.15%) with maximum chlorine of 900 ppm (.09%) and maximum bromine being 900 ppm (.09%). Service parts after purchase may not be BFR/PVC-free. The power cord is not BFR/PVC free in China and Korea.
2. Mounting hardware sold separately.
3. Advanced Exchange part is shipped via a carrier or courier to the Customer's location free of freight charges. HP will ship the replacement product in a container suitable for returning the defective product to HP. Instructions and a prepaid shipping label for the return of the failed product will be included in the replacement product's shipping container. Service levels and response times for HP Care Pack Services may vary depending on your geographic location. Service starts from date of hardware purchase. Restrictions and limitations apply.
4. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/lookuptool.
5. All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.
