

HP ProDisplay P202m 20-inch Monitor

Complement your HP Pro PC with the HP ProDisplay P202m Monitor, a sleek display that delivers essential presentation features, integrated audio speakers, and advanced connectivity for your everyday business productivity, all at a highly affordable price point.

Now hear this.

- Enjoy stereo audio at the display—no external speakers required! With an audio signal streamed over the DisplayPort connection or the traditional audio jack, you get a complete media experience without the extra clutter.

High-speed connection for HD imagery.

- Experience stunning HD picture quality, ultra-fast graphics refresh, and vivid colors from the DisplayPort connection, which also supports multiple monitor connections from a single PC. Get legacy device compatibility from the VGA connector.

Create an efficient, easy-to-use workspace.

- Attach your HP Desktop Mini, HP Chromebox, or select HP Thin Client directly behind the display. Keep things tidy with an integrated power supply and cable management features.

Additional features

- Reduce power consumption and help lower your costs with an intelligent, energy-efficient, low halogen² design that is ENERGY STAR[®] and TCO certified and EPEAT[®] Gold registered.³
- Enjoy crisp, clear HD color for all of your content on the 20-inch diagonal screen with 1600 x900 resolution, 5 ms response time, and 1000:1 contrast ratio.⁴
- Free up valuable desk space—the integrated 100-mm VESA pattern supports wall or HP Single Monitor Arm⁵ mounting. Select the head-only model⁵ if you don't need a stand at all.
- Customize a total solution with options⁵ designed for your display.
- Design the screen for how you work with HP Display Assistant software.
- Rest assured that your IT investment is supported by a three-year standard limited warranty. Select HP Care Pack Services⁶ to extend your protection beyond the standard limited warranties.

Accessories and services (not included)

HP LCD Monitor Quick Release Mount

HP Quick Release is an easy to use, 100 mm VESA-compliant, LCD monitor mounting solution that allows you to quickly and securely attach a flat panel monitor to a variety of stands, brackets, arms or wall mounts. HP Quick Release can also be used for mounting any combination of devices that are compatible with the 100 mm VESA Flat Display Mounting Interface Standard. The failsafe "Sure-Lock" mechanism snaps the monitor (or mounted device) securely in place, and can be further secured with a theft-deterrent security screw.

Product number: EM870AA

HP Single Monitor Arm

The HP Single Monitor Arm is the perfect desk accessory for your work life. Sleek and streamlined, the HP Single Monitor Arm is designed to complement the way you work.

Product number: BT861AA

HP Dual Output USB Graphics Adapter

Increase screen real estate and productivity with a dual-monitor setup with the HP Dual Output USB Graphics Adapter, featuring DVI-I and DisplayPort outputs to drive displays at high resolutions through a single USB 3.0 B connection to your PC.

Product number: C5U89AA

HP USB Graphics Adapter

The super-compact HP USB Graphics Adapter enables connection of up to six simultaneous displays (one per adapter) to help you boost productivity and multi-task across several open applications.

Product number: NL571AA

HP Business PC Security Lock Kit

Protect your HP Business PC from tampering or theft in public locations by locking-down peripherals such as mice, keyboards, monitors or USB security devices and preventing the removal of the PC chassis cover.

Product number: PV606AA
