

HP TX1 POS Solution

Run your business—from the counter to the back office—with a tablet-based POS hardware bundle that's quick to set up, easy to use, and gives you the ultimate flexibility to choose the best software for your environment.

Manage your business on your terms.

Embrace tablet-based technology and get the flexibility to support both customer transactions and administrative tasks. At the end of the day, you can remove the tablet from the POS stand and take it home to work on back office and management activities.

Productivity that you need.

Enjoy Windows 8.1¹ support for essential POS applications and familiar productivity applications that help you to efficiently manage your business and to make informed business decisions based on real-time data.

Depend on HP for peace of mind.

Be confident that all of your hardware is backed by a brand you trust with world-class service, support and security. Enjoy our standard one-year limited warranty on the HP Pro Tablet 610 and three-year limited warranty on HP POS accessories.² Additional coverage up to three years for the tablet is available with optional HP Care Pack Services.³

HP Pro Tablet 610 G1

Make checkouts quick and easy and behind-the-scenes management a breeze with the HP Pro Tablet 610 G1, a Windows 8.1¹ 10.1-inch diagonal tablet PC powered by Intel[®] and business-ready with a Corning[®] Gorilla[®] Glass touchscreen display that stands up to steady use. Keep your business running smoothly and productive with enhanced protection. Microsoft[®] Defender⁴ provides enhanced protection against virus attacks and other threats, while a software-based TPM⁵ solution protects against identity theft and certificate-based hacks.

Tablet Point-of-Sale Stand

Get the flexibility and functionality you need. Securely lock the tablet in an upright position for easy interaction, and rotate to capture customer information. The magnetic base enables various placement options—on a counter or on top of a cash drawer—or use the mounting holes for more permanent placement.

Standard Duty Cash Drawer

Check customers out quickly and store cash, coupons, and checks securely inside the sturdy cash drawer that's great for a range of settings.

Receipt Printer⁶

Get customers on their way quickly with a thermal receipt printer that prints receipts, coupons, special offers, and more.

- Simply connect the printer, add paper, and you're ready to go. Add a logo to your receipt or print special offers and coupons with integrated 2 MB Flash memory.
- Place the compact printer where you need it with the assurance that the steel internal frame will withstand the everyday wear and tear of business environments.

Magnetic Stripe Reader

Accept credit card, loyalty and gift cards, and enable cashier ID card logins with the Magnetic Stripe Reader.⁷

4-Port USB Hub

Easily connect your tablet and up to four POS accessories or other USB devices through the USB hub.
