

HP V241 23.6-inch LED Backlit Monitor

The large-screen, budget-friendly every day business display.

Get an extra-large screen and quality presentation features at a price point designed to fit your budget. This sleek LED monitor offers a 23.6-inch diagonal screen, 1920 x 1080 Full HD¹ resolution, and VGA and DVI inputs—all at an unbelievably low price point. Enjoy business-class brightness, contrast, and image clarity in a design that's easy on the wallet.

HP V241

Stylish and expansive

- Move freely around the extra-large 23.6-inch diagonal screen that offers plenty of room to multi-task across your documents and e-mail and leave multiple windows open side by side.
- The slim LED footprint and internal power supply help keep your workspace tidy.

Business-class content presentation features

- Enjoy crisp, clear wide-angle views of your content with 1920 x 1080 Full HD¹ resolution, 3 M:1 dynamic contrast ratio, and 5 ms on/off response time.²
- Get easy device connectivity from the VGA and DVI inputs.

Adjustable positioning

- Make yourself comfortable with adjustable tilt settings.

Designed with the environment in mind and backed by HP support

- Be a better environmental consumer with a monitor that has arsenic-free display glass and mercury-free display backlights.
- Get worldwide service and support from a standard, three-year limited HP warranty.

For more information, refer to this product's QuickSpecs document. Part number EM870AA.</p> <p>HP Single Monitor Arm - The flexible design of the HP Single Monitor Arm provides a seemingly endless range of display adjustments with an amazing 13 inches of lift, 50 degrees of tilt, and 360 degrees of pan and rotation – all at your fingertips – helping you stay comfortable and productive throughout the day. Part number BT861AA.</p> <p>HP Adjustable Dual Display Stand - Premium space-saving dual screen solution provides access to more monitor real estate and makes it possible to manage multiple applications simultaneously. Weight adjustable for dual monitors from 17-24". Rotate displays into portrait/landscape positions. Part number AW664AA.</p> <p>HP USB Graphics Adapter - Enables connection of up to six simultaneous displays to help you boost productivity and multi-task across several open applications. Use one Adapter to bridge between a notebook or desktop PC and second monitor or use multiple Adapters to connect several displays to each other. Part number NL571AA.</p> <p>HP Business PC Security Lock Kit - Attaches to the rear of the PC with a six-foot steel cable that can be used to secure a PC or peripherals such as mice, keyboards, monitors or USB security devices to protect them against unauthorized removal by physically connecting the system to an anchor point. Part number PV606AA.</p>
Certification and compliance	CB, FCC, ICES, TUV, TUV-GS, TCO, ETL, S-mark, ENERGY STAR®, EPEAT® Silver ⁵
Limited warranty	Protected by HP, including a 3 year standard limited warranty. Optional HP Care Pack Services are extended service contracts that extend your protection beyond the standard warranties. ⁶

Please see the product QuickSpecs document for additional detailed specifications and information. See www.hp.com/go/businessmonitors for more information about HP Business Monitors.

1. High-definition (HD) content is required to view HD images.

2. All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.

3. Each accessory and mounting hardware is sold separately.

4. The HP Quick Release has been designed to support a maximum of up to 24 lbs (10.9 kg) for all devices mounted. Because mounting surfaces vary widely and the final mounting method and configuration may vary, mounting fasteners are not supplied (other than the VESA-compliant screws). HP recommends that you consult with a qualified engineering, architectural or construction professional to determine the appropriate type and quantity of mounting fasteners required for your application and to ensure that your mounting solution is properly installed to support applied loads.

5. EPEAT® Silver registered models of this product are available where HP registers commercial display products. See www.epeat.net for registration status in your country.

6. HP Care Pack Services are sold separately. Service levels and response times for HP Care Pack Services may vary depending on your geographic location. Service starts from date of hardware purchase. Restrictions and limitations apply. See www.hp.com/go/cpc for details.
