

HP mt40 Mobile Thin Client

The thin client tailored for business.

Rely on high reliability, low ownership costs and extended product life with the HP mt40. Enjoy PC-like performance, faster processing power¹, and flexible battery options that keep up with your schedule.

Powered to perform.

Keep up with your demanding workload. Power through projects with proven Intel Celeron technology.^{4,8}

Enjoy PC-like performance when viewing digital graphics and media, thanks to more Flash and RAM on the HP mt40 than its predecessor.

Whether you're telecommuting or using bandwidth-hungry apps, the HP Velocity software improves the quality of your connection so there's no interruption in your work.²

Battery life that keeps up with the way you work.

From lightweight to extended battery life, the HP mt40 offers several primary battery solutions. Your mobile thin client is customized to the way you work.

Easily connect to the HP 90W Docking Station⁵ to use peripherals without needing to plug and unplug your accessories to your HP Thin Client every time.

Lightweight, professional design.

From the bead-blast aluminum display enclosure to the wear-resistant tungsten-colored finish, this HP Mobile Thin Client polishes off your professional look.

Take it with you to every meeting. The HP mt40 offers a 14.0-inch diagonal HD³ anti-glare display and a starting weight of 4.78 lb (2.17kg) so it's ready for business on the go.

A bottom-case drain helps protect your mobile thin client against accidental minor spills on the keyboard.

We've got your back.

Easy setup, manageability and maintenance. Count on global service and support through a network of over 50,000 IT professionals in over 100 countries.

Worry less with a standard, three-year limited hardware warranty in most regions.

Choose from HP Care Pack Services⁹ to extend service contracts beyond your standard warranties.

HP mt40 Mobile Thin Client

Specifications

Operating Systems	Windows Embedded Standard 7 (WES7E 32-bit)
Processor	2nd Generation Intel® Celeron™ B840 Dual Core ⁸
Chipset	Mobile Intel® HM76 Express
Memory⁷	DDR3 PC3-12800 SDRAM, 1600 MHz, one 4 GB SODIMM
Internal Storage¹⁰	16 GB SSD
Upgrade Bay	12.7mm DVD-ROM Drive ⁶ (optional)
Display	14.0-inch diagonal LED-backlit HD3 anti-glare (1366 x 768)
Graphics	Integrated: Intel® HD3 Graphics 4000
Audio/Visual	Stereo speakers, integrated microphone or dual-microphone array with optional 720p HD3 Webcam ^{5, 11}
Wireless Support	Broadcom 802.11 a/b/g/n 2x2 ⁵
Communications	Intel® 82579V Gigabit Network Connection (HM76)
Ports and Connectors	2 USB 3.0 ports; 1 USB 2.0 port; 1 eSATA/USB 2.0 combo port; 1 VGA port; 1 DisplayPort v1.1a, 1 stereo microphone port; 1 stereo headphone port, 1 RJ-45 port (Ethernet); 1 docking connector; 1 secondary battery connector; 1 power connector
Expansion Slots	1 ExpressCard/54 slot, 1 SD/MMC media reader slot
Input Devices	Full-sized spill-resistant keyboard with bottom-case drain, touchpad with scroll zone and gestures support, 3 discrete buttons (Web browser, WLAN on/off, and mute)
Software (Windows OS only)	HP Device Manager, HP Velocity
Security	Security lock slot
Dimensions (w x d x h)	13.31 x 9.11 x 1.34 in (at front) 33.8 x 23.1 x 3.4 cm (at front)
Weight	Starting at 4.78 lb (2.17 kg) weight will vary by configuration
Power	Primary: 6-cell (55 WHr) Lithium-Ion battery, 9-cell (100 WHr) Lithium-Ion battery ⁵ (optional) Secondary: Optional HP ST09 Extended Life Notebook Battery ⁵ (9-cell /73 WHr), 65W HP Smart AC Adapter ⁵ , HP Fast Charge ⁶
Expansion Solutions	HP 90W Docking Station ⁵ (optional)
Warranty	Limited 3-year and 1-year warranty options available, depending on country, 1-year limited warranty on primary battery; 3-year limited warranty on HP Long Life Battery (only available with 3-year platform warranty). Optional HP Care Pack Services ^{6,10} are extended service contracts which go beyond your standard warranties. For more details visit: hp.com/go/lookuptool .

1. Windows Embedded Standard 7
2. Optional 720 HD3 Webcam^{5,11}
3. 14.0-inch diagonal LED-backlit HD3 anti-glare
4. Full-sized spill-resistant keyboard with bottom-case drain
5. Touchpad with scroll zone gestures support
6. 2 USB 3.0 ports

1. Improvements compared to the previous generation of Intel processor and chipset.
2. Wireless access point and Internet access required. Availability of public wireless access points is limited.
3. HD content required to view HD images.
4. Intel's numbering is not a measurement of higher performance.
5. Sold separately or as an optional feature.
6. Fast Charge Technology recharges your battery up to 90% within 90 minutes when the system is off. Fast Charge Technology does not apply to the HP Ultra Extended Life or 9-cell batteries. When the PC is powered on, charge time may increase and will vary based on the workload of the notebook PC.
7. Maximum memory capacities assume Windows 64-bit operating systems or Linux. With Windows 32-bit operating systems, memory above 3 GB may not all be available due to system resource requirements.
8. Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing on Intel® architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers, and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel® 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
9. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit hp.com/go/lookuptool.
10. For hard drives, GB=1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 6GB is reserved for system recovery software.
11. Internet access required.

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
