

HP Advantage Series HP Compaq LA2405wg 24-inch Widescreen LCD Monitor

Providing a new angle on monitors

Comfort-focused design in an extra-large,
energy-efficient, widescreen monitor

Be more productive at work with the newly re-designed, comfort-focused and energy-efficient HP Compaq LA2405wg 24-inch Widescreen LCD Monitor.

Comfortable computing solutions

Sit back and find a monitor position that is comfortable for you with 35° tilt adjusting, pivot head rotation, swivel, and over 4 inches of height adjustability rising from the surface of the desk.

You may find close-to-the desk placement well suited to your comfort needs if you are shorter in stature or are looking through the bottom portion of your bifocals, trifocals or progressive lenses. Low placement is also perfect for children in educational settings. If you are taller in stature and want to maximize your neck and back comfort, simply add a riser under the stand.

In addition, a 3000:1 dynamic contrast ratio, sharp resolutions to 1900 x 1200, and fast 5 ms response time* all deliver stunning views of your work while VGA and HDCP compliant DVI inputs, DisplayPort, and integrated USB make advanced connectivity quick and easy

Impactful energy saving features

The HP Compaq LA2405wg is ENERGY STAR® qualified, has received an EPEAT® Gold** rating, is TCO 5.0 Certified and has many other features, such as:

- A packaging alternative that uses materials with a lower environmental impact than EPS cushions
- Minimized power consumption through use of low power panel
- 50% reduction in mercury over previous generation models
- BFR and PVC free panel, cabinet and housing sheet metal
- Arsenic-free panel

Customize with a range of options

HP offers a variety of optional products (each sold separately) to help you maximize your monitor investment:

- Use the HP Quick Release to mount the monitor head on a wall or swing arm
- Add stereo audio with an HP Speaker Bar
- Create a multi-monitor setup using the HP USB Graphics Adapter

Impressive reliability

Know that your business needs are covered with the HP Compaq LA2405wg. Each monitor has a three year limited warranty*** backed by HP worldwide service and support and is compatible with HP business products.

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
