

# SP5500 OptimusS

## Mobile Computer

Honeywell's SP5500 OptimusS™ is a compact portable data terminal designed for retail and light warehouse data collection applications, including inventory, stocking, order-picking and shipping/receiving.

The SP5535 OptimusSBT™ incorporates Bluetooth® connectivity for real-time data transfer and easy integration with any Class 2 Bluetooth® (up to 10 m) peripheral.

OptimusS and OptimusSBT feature navigation and software development tools that make customizing applications for even the toughest data-collection challenges a snap.

Each OptimusS comes with the Optimizer software package to facilitate application development. This graphically-oriented program allows even computer beginners to quickly and easily set up the applications they wish to run on their terminal. There are also several simple utilities for uploading and downloading of data. The entire software suite is designed to make application development a painless process.

Both devices come with software for quick configuration to any mobile computing program or database. Their 2MB of memory accommodate large inventories and rechargeable batteries provide hours of scanning operation (OptimusS: 100 hours; OptimusSBT: 36 hours).

## Features

- **LCD Display with Backlight and Adjustable Font:** Easy to view screen to accommodate different users and environments
- **Small Form Factor:** Same feature set as bulkier units in a lighter, easier to handle package
- **Cradle Communicates RS232 and USB:** One cradle does both, so a simple cable swap gives users quick-change ability
- **Fully Charged Battery Lasts Approximately 100 Hours:** Minimizes down time; speeds up the inventory process
- **Several Programming Options (Optimizer, BASIC, C):** Accommodates different levels of programming skills from beginner to advanced (SP5500 only)
- **Class 2 Bluetooth Technology (up to 10 m):** Allows real-time data transfer up to 10 meters to a variety of devices

# SP5500 OptimusS Technical Specifications

## Mechanical/Environmental

Dimensions	Terminal: 137 mm x 55 mm x 28 mm (5.4" x 2.2" x 1.1") Cradle: 58 mm x 92 mm x 110 mm (2.3" x 3.6" x 4.3")
Weight	4.9 oz (140g) including batteries
Operating Temperature	0°C to 55°C (32°F to 131°F)
Storage Temperature	-20°C to 60°C (-4°F to 140°F)
Humidity	5% to 95% relative humidity, non-condensing
Drop	Designed to withstand 1.2 m (4') drops

## System Architecture

Processor	16-bit CMOS, low power consumption
Memory	Program memory: 2 MB flash ROM Data memory: 2 MB SRAM
Display	LCD - 100 x 64 pixels, back-lit
Keypad	21 rubber keys; alpha/numeric, function, scanner
Audio	Programmable buzzer 1 kHz – 4 kHz
I/O Ports	Unit: Cradle IR, Class 2 Bluetooth (optional); Cradle: USB, RS232, Modem cradle (56k)
Battery	Main: 3.7 V, 700 mAh Li-ion rechargeable; Back-up: 3.0 V, 7 mAh Li-ion rechargeable
Decode Capability	Reads standard 1D symbologies
Imager/Scanner	Laser Scanner Visible Laser Diode 650 nm ± 10 nm
Development Environment	Windows-based Optimizer; optional C & BASIC compilers
Warranty	1 year factory warranty

## Wireless Connectivity

WPAN	Class 2 Bluetooth (up to 10 m)

## About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

## Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

## Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

## Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

## Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
  - Data destruction
  - Hardware disposal
  - Auditing services

## Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

## Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
