

Titan

www.meridiankiosks.com

versatile | weather proof | rugged & reliable

The Titan Kiosk is a versatile outdoor kiosk designed to deliver self service solutions in both attended and un-attended locations. Built from years of outdoor kiosk experience and designed to be safe, reliable, and rugged. The Titan is equally at home in direct sunlight, high and low temperatures, even rain and snow. The Titan features a vandal-resistant touchscreen and can be bolted securely in place.

stylish | colorful | eye catching | memorable | easy installation

Easy to use and attractive, the Titan features a number of input and output options to maximize its capabilities. It is available in numerous finishes with full color graphic wraps and can be designed to blend in or stand out in any setting.

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
