EM-220

More mobility in your business

The core goal of any automation plan is to improve profitability. Our handheld products enable you to accomplish this by reducing errors, improving customer satisfaction and increasing sales. Additionally, handheld products allow your in-store and on-the-road personnel to reach a higher level of productivity, as less time is spent on traditional data search and entry.

Partner Tech's EM-220 mobile computer provides a state of the art handheld terminal with multiple functions, including a 10.1" LCD with integrated touch. The modern and smart design fits into various applications, it can be used in the field, logistics, retail and restaurants.

Possibilities are endless, so just use your imagination and the touch of your finger.

Special Features:

- Improved CPU & Memory
- Compact & slim size
- Auto rotation display (landscape or portrait)

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
