

# CompactFlash Scan Card

## Series 5

## Capture Barcodes Anywhere with a Durable Plug-in Scanner

Increase efficiencies in your data collection applications with the CompactFlash Scan Card (CF Scan Card) Series 5

- **Performance** – Advanced technology for scanning 1D and 2D barcodes in a broad range of indoor and outdoor conditions
- **One-Handed Scanning** – After you insert the CF Scan Card into a PDA, you can scan with one hand, leaving your other hand free to handle packages and materials for increased productivity
- **Modular** – Works in the standard CompactFlash or PC Card slot of a wide variety of mobile computers, so you can switch or upgrade computers and keep using the same scanner\*

WHICH VERSION IS RIGHT FOR YOU?	
<b>CFSC 5E2</b> <i>Entry-Level</i> 	<ul style="list-style-type: none"> <li>- Basic unit for light-duty indoor scanning</li> <li>- Reads all common 1D/linear and stacked barcodes up to 10.5" (27 cm) away</li> <li>- Class 1 laser technology</li> </ul>
<b>CFSC 5P</b> <i>Performance</i> 	<ul style="list-style-type: none"> <li>- Performance unit for heavy-duty scanning indoors or outdoors</li> <li>- Ideal for reading VIN numbers, even through Mylar or thick glass</li> <li>- Reads barcodes on curved or reflective surfaces</li> <li>- Easy to use and can scan thousands of barcodes per day, up to 45" (114 cm) away</li> <li>- Reads 1D and stacked barcodes, even if they are worn or damaged</li> <li>- Class 2 laser technology</li> </ul>
<b>CFSC 5X</b> <i>Xtreme Performance</i> 	<ul style="list-style-type: none"> <li>- Xtreme performance unit for scanning 1D and 2D barcodes</li> <li>- Reads barcodes indoors in good lighting conditions up to 10.5" (27 cm) away</li> <li>- Also supports stacked and postal barcodes</li> <li>- CMOS high density imaging technology</li> </ul>

### HARDWARE FEATURES

- Durable card with integrated scanner plugs into CompactFlash (CF) slot with a snug, secure fit
- With CF-to-PC Card adapter, also works in a PC Card (PCMCIA) slot\*
- Compatible with computers running:
  - Windows Mobile 6 Classic/Professional
  - Windows Mobile 2003/2003SE/5.0 for Pocket PC
  - Windows Vista , XP
- One-handed operation with a SoMo® 650 or other handheld device improves efficiency by freeing the other hand to handle packages or materials
- Available in multiple performance levels to fit your business requirements
- Easy to pack and easy to maintain, with no extra batteries or power adapter required
- Battery Friendly® technology reduces power consumption, maximizing the battery life of your mobile computer
- Great to combine with Socket SoMo® 650 handheld computer, pre-loaded with software for out-of-the-box deployment
- One year warranty
- SocketCare enhanced service program available separately

### SOFTWARE FEATURES

- SocketScan™ software enters scanned data into any application — no custom programming needed
- Automatically add prefix and suffix functions, such as carriage return and tab, to further eliminate manual data entry
- Assign a beep tone or .WAV audio file to signify a successful scan
- Easily enable/disable bar code symbologies with SocketScan Symbology Selector utility
- View the properties of any bar code, including symbology, length, and decoded data, for any of the supported symbologies
- Compatible with Windows-based development tools for custom applications
- SDK available to application developers
- Floating Trigger for Windows Mobile puts an icon on your screen that you can tap to trigger the scanner
- No license fee for standard software

\*PC Card adapter available separately

# CompactFlash Scan Card

Series 5

## In the Box:

- CF Scan Card
- Extra rubber collar to fit non SoMo® devices (not shown)
- Installation CD with software and user documentation
- Retaining bracket for securing the CF Scan Card into the SoMo 650

Items not shown to scale and may vary slightly from those shown.

## TYPES OF BAR CODES

Linear (1D)	
Stacked Linear Composite	
2D/Matrix	
Postal

## About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

## Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

## Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

## Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

## Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
  - Data destruction
  - Hardware disposal
  - Auditing services

## Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

## Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
