

A WIDE SCREEN WITH PEAK PERFORMANCE AND VERSATILITY

VeriFone's MX 860 joins versatility and performance into one package. The combination of a wide screen, a tactile keypad and a large signature capture area speeds customers through lanes.

MX 860

Brilliant and Secure

- Bright backlit display supports full color and delivers the industry-leading picture
- Includes PCI PTS 2.x, and EMV Level 1 and Level 2 Type approvals as well as Interac, RoHS and WEEE certifications
- Supports end-to-end security with VeriShield Total Protect which eliminates usable cardholder data from POS applications, networks and servers
- Fast processor and ample memory easily handle animation and full-motion video
- Tactile keypad reduces errors and speeds payments
- Ethernet connectivity allows content to be downloaded seamlessly and swiftly from any network or centralized server
- Bi-directional magnetic stripe card reader minimizes re-swiping to keep lanes moving
- Available payment options include a smart card reader and field-upgradable contactless reader

A Clear Sign

- Large screen area efficiently accommodates optional signature capture coupled with scrolling receipts and branding or suggestive selling
- Brilliant graphics draw attention to value-added applications such as loyalty, gift card sales and reloading
- Field-upgradable MX 800 Series printer and scanner enable applications such as price checking, product locators, instant credit applications and disclosures

A Lasting Investment

- Modular design provides flexibility to easily expand capabilities at any time to cost-effectively meet changing requirements
- Chemically hardened glass display is extremely durable, and non-mechanical stylus eliminates input failures

MX Solutions: The Total Package

- MX 800 Series hardware and peripherals are interchangeable, offering a wide variety of connectivity options
- PAYware Vision, a fully integrated suite of software for payment, signature capture, device management, and content delivery, all from a central point of administration
- Web Development Environment (WDE) makes development of customer interfaces easy, supports JavaScript, XML (AJAX), C++, PHP and cURL, and increases the capabilities of the MX 860 while reducing the overall development effort
- Expertise and services from the industry leader in payments solutions that help retailers build loyalty, enhance customer satisfaction and increase sales
- Supports VeriShield Remote Key to remotely and securely manage key injection, using online and offline methods, saving time and money.

Processor
32bit ARM9 266 MHz

Operating system
Embedded Linux with VeriFone security enhancements

Applications
Form Agent, IBM EFT, NCR EFT, Web Development Environment (WDE)

Memory
64 MB SDRAM + 64 MB Flash
Field-upgradeable via USB Flash memory drives

Display
65,536-color graphics, wide screen
backlit display, 480 x 272 resolution

Graphics
Built-in media player supports
16-bit video

Audio
Multi-tone buzzer
External speaker line-out port is factory optional

Keypad
Recessed for privacy
13 laser-etched tactile keys

Touch Screen
Chemically hardened glass
Capacitive technology

Stylus Pen
Non-mechanical
Field-replaceable option

Magnetic Card Reader
Triple-track, bi-directional
Software-controllable LED prompt

Smart Card Reader
Up to 3 SAMS
Software-controllable LED prompt
Factory option

Contactless
ISO 14443 AB certified
Optional, field-upgradeable module
AMEX, Discover, MasterCard,
Visa approved

Connectivity / Communications
Cable: supports VeriFone multi-port
cables with cable sensing
USB: Device and Host capability

Ethernet: 10/100BaseT
Serial Interfaces: RS-232, RS-485,
IBM Tailgate
WiFi, field-upgradeable module

Security/Encryption
Master Session
DUKPT
Triple DESPCI PTS 2.x,
EMV Level 1 and 2
Interac
AES

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
