## About us

- Legacy Technology Services is a leading nationwide provider of mobile computers, barcode scanners, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

## Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

## Expert Repair and Maintenance services

- Legacy is one of the largest repair facilities in North America and is an Authorized Repair Center for many manufacturers.

## Discontinued product sourcing

- They don't make if anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

## Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
  - Data destruction
  - Hardware disposal
  - Auditing services

## Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

## Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.

# WDT3200

MOBILE COMPUTER

*Big Business Tools. Small Business Attitude.*

The **Wasp WDT3200 Series** mobile computer is ideal for improving data collection efficiency in your warehouse, retail business, manufacturing or distribution center. The WDT3200's rugged design protects your productivity, even in demanding environments. The mobile computer offers an IP54 rating for protection against water and dust, and can stand up to multiple 5' drops to concrete.

Data collection is fast and simple with the WDT3200. Rapidly read barcode labels using the integrated laser barcode scanner, or enter data manually using the 36-key keypad. Review records on the WDT3200's color, backlit screen – featuring high contrast for easy reading indoors or outdoors.

The WDT3200 series is available as a batch data collector or with 802.11 b/g wireless communication capabilities. Pair the WDT3200 with the optional pistol-grip for single-handed use in scan-intensive applications.

## WASP WDT3200 FEATURES

- ▶ Windows CE 6.0 Pro Operating System
- ▶ Crisp 2.8", 240 x 320 pixel QVGA color display
- ▶ 36-key alphanumeric keypad
- ▶ 128 MB SDDR memory included; add up to 16 GB via SD slot
- ▶ Integrated laser scanner for reading barcodes from 1.5" to 30" away
- ▶ IP54 rated for protection against water and dust
- ▶ Compatible with Wasp InventoryControl and MobileAsset
- ▶ Supports application development via Visual Studio 2003 or 2005
- ▶ 802.11 b/g wireless on WDT3250

## BENEFITS

- ▶ Ergonomic design improves data collection efficiency in any inventory, manufacturing or logistics environment
- ▶ Vivid, backlit screen ensures readability even in harsh lighting conditions
- ▶ Windows CE 6.0 Pro supports rapid application development and deployment
- ▶ Flexible data entry methods make data collection simple
- ▶ Rugged design protects against damage from accidental drops
