Compact and Flexible

- The smallest footprint in its class—easily fits into a wide range of locations
- Weighs less than 10 pounds (4.3 kg)
- Conveniently fits on the desktop or under the counter
- Print single-sided or dual-sided, color or monochrome

Easy to Use

- Intuitive design simplifies set-up and reduces training costs
- LCD screen provides printer status and error messaging
- Translucent card cover allows you to see when card supply is running low
- Simple printhead replacement—no tools required!

Reliable Performance

- Made with high-strength plastics for reliability and lower maintenance costs
- Integrated card feeder/flipper minimizes printer size while maximizing performance
- Optional magnetic stripe encoding (HiCo/LoCo)

i Series™ Functionality

- Automatic color optimization and driver configuration
- Enhanced ribbon formulation for optimal color output
- Ribbon image counter and ribbon-low notification

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
