PT-P900 Series

Thermal Transfer and Laminated Label Printers

Brother PT-P900W and PT-P950NW wireless desktop thermal transfer and laminated label printers come as a complete solution that includes printer, label design and print software, future proof optional accessories, and a full length UL certified tape. These small footprint printers produce wide, premium quality laminated labels at 360dpi print resolution, up to 32mm print height on 36mm tape, and a built-in dual blade automatic cutter that can produce a strip of pre-cut labels.

The PT-P900W and PT-P950NW are complete on-demand labeling solutions for applications that require premier quality labels that stand up in harsh environments. Our TZe and HGe tapes provide resistance to chemicals, UV, and abrasion for true industrial applications.
