WPL205

BARCODE PRINTER

Big Business Tools. Small Business Attitude.

The WPL205 is Wasp's value-packed direct thermal barcode printer. It's ideal for creating product shipping labels or other barcode labels. Conveniently sized with a clamshell design that makes media loading a snap, this easy-to-use printer provides all you need in a desktop barcode printer.

Using a direct thermal printing process, barcode labels can be created that also include text and company logos. Direct thermal creates high quality labels that are ideal for immediate use (eg. package or product shipping label) or when a permanent barcode label is not required. The WPL205 prints at a quick 5 inches per second with labels up to 4.25" wide and has 2Mb of FLASH memory.

WASP WPL205 FEATURES

► Direct Thermal Process at 203 DPI

► 2Mb FLASH memory (512Kb addressable)

► Integrated label peeler included

► Prints at 2 or 3 inches per second when using the peeler, or up to 5 inches per second when not using the peeler

► Prints linear (1D) barcodes and 2D barcodes

► Supports up to 5"OD labels rolls with maximum 4.25" width

► Can print up to 39" label using continuous feed label roll

BENEFITS

► Value packed desktop barcode printer for printing and shipping labels

► Convenient size fits easily into any shipping environment

► Clamshell form permits easy and rapid media installation

► Integrated peeler speeds application of labels to package

► All in one firmware supports most popular barcode printing formats
